

## Halifax County Vineyard & Winery Itinerary

### Day One:

Your first stop - the Halifax County Visitor Center at 1180 Bill Tuck Highway, South Boston, VA 24592 - to get your maps, directions, brochures and general information.

We welcome you to come early and have your breakfast at one of our many great restaurants. Ollie's

Southern Café is open for breakfast Thursday through Sunday 5:00am – 11:30am with everything from grits & gravy to pancakes with corned beef hash. Common Grounds will help open your eyes with pastries, breakfast items and specialty coffees.

Now you just decide whether to drive yourself around the spectacular countryside, or be chauffeured. All Occasion Limousine Service can provide luxurious transportation for a romantic getaway for two up to a party of 13.

Halifax County boasts four wonderful vineyards.

We suggest visiting two each day.

**Greenwood Vineyards and Winery** is located in a 145 year old former tobacco packing barn that has been completely restored with a tasting room, wine storage facility, a production room, and a primary fermentation room. In addition, it has an underground wine cellar that is reached by a circular stairway. A large room above the tasting room is available for private parties and events.

**Hunting Creek Vineyards** has their focus on achieving vine balance and attention to detail during harvest, fermentation and aging, allowing them to produce quality wines. Current wines are a dry white wine, a semi-dry Rosé, three dry reds, one mildly sweet red, and a white jalapeno wine. Hunting Creek Vineyards are a small farm winery and welcome you to come for a free wine tasting. Open Friday and Saturday 11am-5pm April 16th thru Dec 16th. Open by appointment all other times. <http://hcvwines.com> 434-454-9219

**Molliver Vineyards and Winery** wines are made from old-world grapes that have been enjoyed for centuries. Some of their European style red wines are cabernet sauvignon, cabernet franc, and merlot. Some of their old-world style white wines are chardonnay, sauvignon blanc, pinot grigio, riesling and viognier. For those who prefer red wine made from American fruit, they offer blackberry wine, norton wine, and their proprietary chocolate wine. Molliver Vineyards and Winery is open every day noon to 6:00pm with wine tastings, tours, and wine sales on 134 acres running alongside the Banister River.
